pray for the Gospel Center

Robert Booth

I am always amazed with how God is helping at the Gospel Center. Through our services, up7street, kidz club, Angel Food ministry and Discovery Recovery, individuals continue to be changed by Jesus Christ. I love that I get to be a part of His kingdom.

As you can imagine anytime God is moving, you can rest assured that Satan is NOT happy. The Gospel Center has experienced spiritual warfare in the past year like never before – but we are confident that God is working in many lives!

Many of you have asked how you can pray for Gospel Center. So I thought I'd give you some things to keep you busy in your prayer time:

Pray we stay focused on the vision God has given us. It is so easy to get caught up in everything but the reason we exist.

Pray for our volunteer staff. I believe we have the greatest volunteer staff in the world and you will never know the work they put in to make our ministries work. Pray for them. for their families, and pray for their walks with God.

Pray for our people. We are living in hard times and we need to remember to be lifting each other up in prayer.

Pray for our space issues. We are doing all that we can, but are limited with our space issues.

Pray for Discover Recovery. When we launched this ministry a few years ago, is when the devil took the attacks to the

next level. This ministry is going to change people's live in huge ways.

Pray we reach our communities. THAT is why we exist. We exist to reach people far from God.

Pray for Angel Food ministries. God has been doing some exciting things through this ministry and we are looking for even more things to happen!

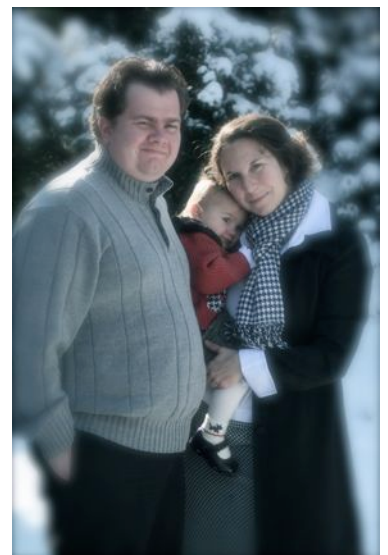

Pray that God will help us in training leaders to assist us.

Pray for up7street – our ministry to teens. Great things have been happening at up7street.

Thanks in advance for your prayers. Together, we offer hope to hurting people.

We need many prayer warriors. As more and more people come through our doors, the spiritual warfare becomes even more intense.

If you are able, would you invest in our work financially? We are looking for the leadership of the Lord in the area of finances as we offer love, hope and redemption to the hurting and broken. We invite you to partner with us!

Canaan Grove Tabernacle Damage

On February 18th, I received a phone call from someone who thought there was a problem with the Canaan Grove Roof. I drove down to Newmanstown and to my horror, there was almost no roof left. 90% of it had collapsed. During the collapse, the walls were compromised and had buckled and cracked.

We received word on Monday the 22nd from the insurance adjustor that the building will need to be taken down.
