

LEBANON GOSPEL CENTER

Christmas

2010 gift catalog

Merry Christmas

FROM THE GOSPEL CENTER

We want to express our sincere gratitude for helping with previous Christmas Catalogs from the Gospel Center. Because of your giving we have given out hundreds of Bibles, been able to provide necessary teaching materials for our teens and children, helped hundreds of individuals with Discover Recovery and renovate the inside of the Gospel Center. Wow! You have invested in the lives of many in our community. You have impacted the kingdom of God.

We don't think any Christmas catalog that you get this Christmas season will be quite as extraordinary as the one you are holding right now.

The 2010 Christmas Catalog offers unique gifts that will help us share the incredible story of Jesus Christ.

What better gift could you give this Christmas than one that could impact people's lives for eternity?

We hope you'll take a few minutes to look through this catalog and prayerfully consider what God would have you do to bless the ministry of the Gospel Center. Thank you for your prayers and your generosity.

Robert, Arlene, Kalena & baby girl # two due in February :)

Discover RECOVERY

Three years ago, we made a huge step towards the vision that God has for the Gospel Center in starting Discover Recovery. Discover Recovery is a Christ-centered, Bible based recovery program. We hope in the near future to have a counseling center affiliated with the Gospel Center.

Currently we have different groups that are meeting as well as individuals and couples. God is really helping us as we help individuals with their hurts, habits, and hang-ups. We have around 120 individuals who have completed the program and 63 individuals currently enrolled in various groups. We have two counselors who are volunteering their time to Discover Recovery. It is exciting to see this program grow.

We offer this program simply on a donation cost and trust that we can continue this. But it does cost the Gospel Center with curriculum and utilities and training. Would you consider donating towards this cause?

Suggested Gift **\$7,000**

or help share in the cost

Testimony of the impact of Discover Recovery

“My life was totally messed up by choices and decisions that I made. I was living a life of sin. I could not overcome my many addictions. Discover Recovery has helped me to change my life. I have now given my life over to God and my life is changed!” - Bill

One of our core values at the Gospel Center is to impact our kids with the life transforming message of Jesus Christ, before they make the same wrong choices that many of us have already made.

We make the children and teens of our communities a priority. We have classes for our children and teens. There are kids and teens at our house everyday of the week too! Last year we started a teen ministry called up7street that meets the second and fourth Monday evenings. We have food, a lesson, games and we break up into small groups throughout the session. We have had over sixty different teens come to up7street with an average attendance of over twenty. Many of our teens have been making progress spiritually.

Kidz Club and up7street is in need of some curriculum and games. There is also the expense of food for up7street. Please pray that God would help us as we impact the lives of teens and children in our community.

Suggested Gift \$1,600

or share in the cost for the amount you can

the redemption project

hope | love | redemption

We have worked with many who have never really had a shot of starting over. Some dropped out of school, others only know how to deal drugs. It is very difficult to start a new life when you are in terrible surroundings. We want to offer a safe place where individuals can live for 2-3 months, maybe longer if needed, and start a brand new life. We are in the process of lining up counselors, job-training, GED opportunities and computer training.

One of the main obstacles is a location. We do not have the facilities or the finances to acquire the buildings that will be needed. We have looked at several buildings and trust that God will lead us to the right one this year. Pastor Booth and his family have moved out from above the the Gospel Center. We hope to be able to have a few individuals start this program in early spring. This way we can at least start out small.

Would you pray with us for this project? We realize that this will be a huge undertaking, but we believe that this step is essential for the ministry at the Gospel Center.

To start out, we will need some specialized equipment such as breathalyzers, security cameras; additional training for some our volunteer staff.

Suggested Gift **\$25,000**
or share in the cost for the
amount you can _____

For the past two years, the Gospel Center has been involved in a ministry called Angel Food Ministries. We have helped hundreds of families in our communities by providing affordable, quality food.

As we go into the new year, would you consider being a blessing by providing a few boxes of food? We would love to bless our community with at least one hundred boxes of food.

"I recently picked up my very first AFM food box. Not only were we unbelievably satisfied with the value, quality and amount of food we received, but were made to feel so welcome by your volunteers. Everyone from the moment we entered to the moment we left was so kind. There were so many smiling faces and "Have a wonderful day" that we were overwhelmed by the experience." - Carla

MINISTRIES

Each year we give away numerous Bibles, no questions asked. We try to have hardcover Bibles available to those who come to our services so they feel like they are getting something valuable. Every year we spend around 600.00 on Bibles alone.

Would you consider investing in the spreading of God's Word?

Suggested Gift \$600

or share in the cost

Our sanctuary is used almost every day for a variety of purposes. Discover Recovery, up7street, and our regular services. We have a decent sound system, but the wireless part of is always causing us problems and creating bad static noises.

Would you consider investing in something that is vital for our congregation to hear?

Suggested Gift \$900

or share in the cost
