

# Voice *of* Salvation

A photograph of a winter landscape. The foreground is covered in a layer of snow. In the middle ground, there are several wooden benches. The background is filled with bare trees and a hazy sky, suggesting a cold, overcast day.

# offering hope.

*Robert Booth*

At the Gospel Center we are determined to offer hope to our hurting community. Every day we hear stories that cause our hearts to break.

“Joe” got out of our local prison a few months ago. While he was in jail, his wife filed for divorce, had a restraining order put out against him, drained his financial accounts, and generally ruined his life. While he was in jail, I had the opportunity to introduce him to the hope of the world, Jesus Christ. All of his problems still aren't solved and his life still seems to be in chaos. But he has seen the hope that Jesus offers.

Not all of our ministry is glamorous as you can imagine. We have seen lives ruined. There are people that we have worked closely with that have died of an overdose, or were killed. We have seen children that were sent off to foster-care because both daddy and mommy were in prison.

But with each and every individual that we come across, we offer them the hope of Jesus Christ. He is the only one that can change their lives for the better.

We offer hope to kids. Every week we have an active kidz club where children of all ages hear the stories of Jesus. We also have a boys club and a girls club where we work with the pre-teens. Pre-teens often are at a critical time in their lives and we reach out to them. Arlene, Laurie, Vicki, Jordan and Susanna do an incredible job of teaching our kids.

We offer hope to teens. Lance Shuey and Jeremy Morford work with our teens each Sunday morning. Every second and fourth Monday evening we have up7street. We have a fun interactive time with our teens. While we have food and fun, we also give a practical teaching that applies to the lives of all of our teens. We have a great core of small-group leaders who invest in the lives of our teens.

We offer hope through Discover Recovery. We are thankful that God continues to provide the means to

offer this to our community.

We offer our community hope through helping them with their grocery budget by offering them Angel Food Ministries. Jim Sherman and our massive team of volunteers do an incredible job with this ministry.

But most of all, we offer hope through Jesus Christ. We are able to impact peoples lives through our Saturday evening and Sunday morning services. Three of us also go into the Lebanon Jail two times a month. I am privileged to preach about Jesus and the hope that He offers to all.

As the Gospel Center continues to grow, we plan on basing all of our ministry upon the foundation of hope.

And you can be involved in offering hope as well. We need many prayer warriors. As more and more people come through our doors, the spiritual warfare becomes even more intense. Please pray for our leadership, and those that we work with.

# redemption PROJECT

Some of the components of the Redemption Project will include:

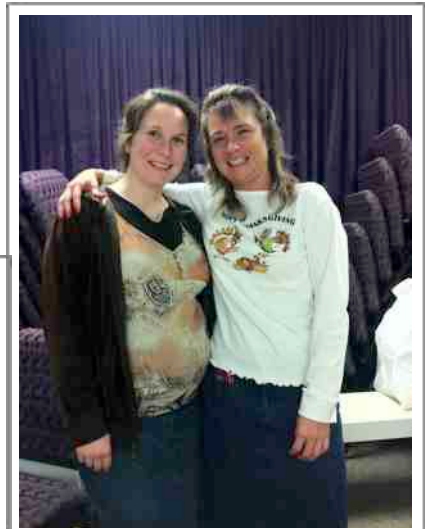

- individual counseling
- Discover Recovery
- job Training
- fellowship
- GED opportunities
- computer skills
- discipleship
- brand new start
- financial skills training
- residential, supervised component (as soon as a building becomes available)

how you can help with the redemption project.

- Pray. We need individuals and families to pray for the all of the ministries of the Gospel Center, and specifically that the Redemption Project will go according to God's will.
- Give of your talents and gifts. We need individuals who are qualified with specific talents and abilities (see the other chart for more details).
- If you can, contribute financially, we invite you to partner with us. Initially we need finances to acquire some basic equipment and materials. Ultimately we would like to acquire a building so we can start the residential aspect of the project.
- Pray. We desperately need the hand of God on this project and the lives that it will impact.

## Thanksgiving Dinner at the Gospel Center

the 2010 Thanksgiving dinner was the largest one we had so far. Thanks for investing in this vital outreach of the Gospel Center.

*These gifts have come in from the readers of the Voice of Salvation.*
